"Wesglas"® LAUNDRY TUBS

of fabulous Fiberglas*

- Attractive design—rounded corners inside and out for easy cleaning—full sized shelf, with ridges to keep accessories dry.
- **Impervious to soaps, detergents, mild acids and drain solvents—will not stain—blue-green color stays beautiful for life.**
- Strong—crackproof—no coating to chip or craze. Withstands thermal shock (40° to over 200° F.)
- **Extra large—21 gallon capacity will store all the water of the suds saver washer.**
- Light in weight for savings in shipping, handling and installation.

Manor Model M-54 features matching Fiberglas cover which doubles as handy carrying tray.

Chalet Model C-54 features enameled steel cover. Tub can be used with cover in place.

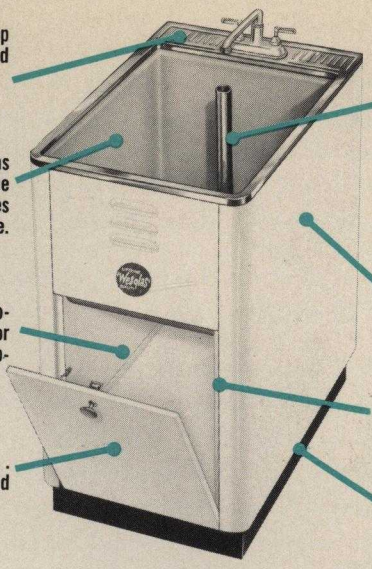
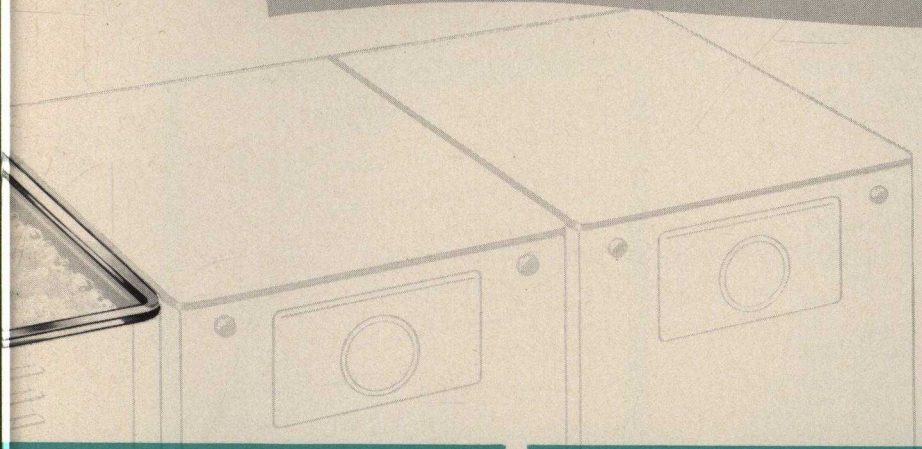
Only "Wesglas"® offers you all these features



1. Stainless Steel top rim with 2 embossed soap dishes.
2. Fabulous Fiberglas Tub in neutral blue green tint harmonizes with any color scheme.
3. Big storage area provides ample space for all your washing supplies.
4. Removable door . . . hinges from bottom and lifts out completely.
5. Removable overflow tube eliminates the necessity of double tubs. Allows free use of tub for hand washing, saving suds, soaking or bleaching while water from washer empties through tube directly into drain.
6. Gleaming white baked-on enamel steel cabinet contoured to match modern washers and dryers.
7. Full width opening . . . facilitates cleaning and plumbing installation.
8. Recessed black base has hidden leveling screws.



MATCHES YOUR MODERN WASHER AND DRYER
